Public Records Request

The City of Hermosa Beach encourages public participation in the governing process and provides reasonable accessibility to all public records except those documents which are exempt from disclosure by express provisions of law or considered confidential or privileged under the law. The City is under no obligation to respond to requests which are not focused or specific. The City may withhold documents which are exempt from disclosure under state or federal law, including the attorney—client privilege or any other applicable privilege. The City, in accordance with Government Code Section 6253(b), has ten (10) days to respond to any request for public documents by indicating whether or not the documents exist and will be made available. Actual production of the documents may take somewhat longer depending upon their ease of availability and staff workload. To assist us in providing a timely response to your request, please fill out the form below and indicate the specific record/document you wish to review.

Building Permit Reports

Hello,

I am requesting building permit reports, similar to the monthly permit reports posted on the <u>Community Development</u> <u>page</u>, for the following time periods:

- All of 2012
- January 2013
- November 2014
- January, February, and March 2015
- January, February, and March 2017

The reports for January – March 2017 that are currently posted on the website are scanned images, not OCRed pdfs. I would like the requested reports to be correctly OCRed (clickable text).

Please ask any questions regarding the facilitation of this request.

Thank you.

YARDI
